FOREWORD

In this year of 1948 another senior class will graduate from Anderson. We pause to look back over the last twelve years. We have had many disappointments and failures, but we have also had a great many pleasures and successes. We will long be grateful to Anderson and her staff of teachers for the knowledge they have helped us to acquire.

Our aim for the future is "to be rather than to seem to be." The world today is searching for truth and for genuine personalities. We seniors are endeavoring to put away false pretenses and be our true selves, not copies of someone else. With this aim and the kindly spirit of Anderson behind us, we hope to become worthy citizens of the United States and of the world.

ROY S. TUCKER

DEDICATION

To Mr. Roy S. Tucker, our year book adviser, who has set an example by his quiet way of getting things done, we dedicate this eighteenth Andersonian. May his ability to throw light upon life's problems, without resulting heat, be copied by all of his pupils.

Confidence, faith, cheerfulness, and optimism are the symbols for the equation of the atomic age. The relationship and position of each in the scheme of life is our part in balancing this equation. To you of the class of 1948 we wish enough confidence to allow you to attack successfully the difficult adjustments to be made in modern living. May you have faith that shall bring out the best in your associates, cheerfulness that is spontaneous and conceals the sordid part of life, and optimism that smoothes the path for your fellow man and believes that the best of and for the race is yet to come.

Forestville, Ohio
May 17, 1948

Dear Mr. Wright,

Today the senior class of 1948 had their annual reunion. We did a lot of reminiscing about our school days and we thought that maybe you would like to remember those years with us.

We all remembered that as we started to school, we were curious and yet doubtful about that new procedure in our lives. We marveled at the patience Miss Thompson and Miss Hovius must have had in trying to teach us to read and count. It was well remembered that most of our second grade was spent in learning to write. By the way, some of us still can't write legibly enough for others to read it. But we can't blame Miss Kaiserman and Miss Headley because they did their part.

There's one thing we learned in the third grade that none of us has ever forgotten. That is the multiplication tables. By the time we had said "goodbye" to Miss Laugh and Miss Brothers, we were starting to count the number of years until we would be through with school. We began the study of geography in the fourth grade. Miss Noble and Miss Harmon taught us a lot about the countries of the world.

The fifth and sixth grades brought a great deal of change. Instead of two teachers we now had four. Our homework increased by leaps and bounds. Miss Powers and Miss McCord, fifth grade home room teachers, and Mrs. Besse Ayer and Mrs. Georgia Ayer, sixth grade home room teachers, had their share in giving the homework. One of our male classmates reminded us that the boys began wearing long pants in the fifth grade which was a red-letter day for them.

Our seventh and eight grades were preparations for high school. With the help of Miss Murphy, Mr. Maddux, Miss Addicott, and Mr. Smalley, we prepared for the eight grade state test. After our eight grade graduation, high school was the next step.

We became full-fledged freshmen after a stiff initiation. Right then we can remember how we started to plan a "better" initiation for the unlucky freshmen the next year. In the ninth and tenth grades we had still more teachers, new schedules, detentions, etc. We are indebted to Miss Martin, Mr. Myers, Mrs. Seaman, and Miss Graham for their advice and counsel during these years as our home room teachers.

We remembered all the hard work and loads of fun we had in producing our Junior Class play, "A Little Honey." With the help of Mrs. Struke and Mrs. Ziegler we said "goodbye" to the seniors with a lovely banquet and dance.

Many memories made up our senior year. Remember, Mr. Wright, how many times you had to talk to us about our annual so that we'd put more work on it? That annual meant a lot to us once it was completed. After our class play was over, Miss Nash and Mr. Brown turned our thoughts to a class day program and graduation. Our Alma Mater has come to mean more to us since our graduation and we shall never forget her.

Sincerely,

The Senior Class of 1948

Dear Mr. Wright,

I thought you might be interested to hear news of the class of '48 and how the information came to my attention.

I had just finished giving a private lesson in dramatics when there was a knock on my door. To my surprise, it was James Edgar Palm, the great inventor, who had been a former classmate of mine at Anderson School. He hurried to tell me of his latest invention, which, he said, worked somewhat on the principle of that wonderful old thing, television, except that with his invention no cameras, etc., were needed, that it had an automatic viewer. Upon his invitation I grabbed coat and hat and left with him. In his new Buick, Jim introduced his friend and colleague, the co-inventor of the viewer. It was then I realized this suave and self-assured gentleman was the Charles Raine I had known in high school.

After a few minutes drive we arrived at a giant building in the heart of the city and took the elevator to the fourteenth floor where we entered a door of an enormous show room. In a corner there were a large screen and two small black boxes. Jim turned a knob on one of these and asked whom I would like to check up on. We thought hard and finally "came up with" the names of the Senior Class of '48. The following list, I am sure will be of much interest:

The prospective members of the Class of '49 are looking back over the closing school year with enjoyment and to the coming year with anxiety.

The traditional Junior-Senior Banquet was again held at Anderson. For the second succeeding year, the Junior-Senior Prom was made open, with each Junior and Senior allowed one guest. Students and guests were amazed at the transformation which had been made in the appearance of the gymnasium for the occasion.

The Junior Class play, "A Date With Judy," was held in the school on November 19, 1947 before a capacity audience.

The class of 1950 returned in the fall prepared to follow in the steps of the upper-classmen. The total enrollment was seventy-three. They took advantage of their privilege to initiate the Freshmen, but were unable to sponsor the usual Freshman Dance.

The class was well represented in all school activities and clubs. Many girls participated in Y-Teens and G.A.A. and the boys in Hi-Y. Both participated in glee club and Band.

The class was very proud of their reserve team, which was composed of Sophomores. We, as a class, hope to hold and keep the honor that the previous classes have held.

FRESHMAN CLASS

The class of 1951 entered the halls of Anderson as full fledged Freshmen. In a very short time our class proved to be a valuable addition to the High School.

With the patient and understanding guidance of Mrs. Minder and Mr. Tucker, Anderson soon felt the influence of such a large class. In fact, it is the largest class in the history of Anderson consisting of one hundred-two members. With many male students playing football, basketball, and baseball, girls entering Y-Teens and learning basketball, deck tennis, and hockey in G.A.A., our class proved itself to be all-around, in sports, as well as in scholastic ability.

Few realize that there is so much work in publishing an annual. Each year the same problems face the Senior Class—high prices and the low funds of the Senior Class. As usual though, the Senior Class decided that they would have an annual, and set about the task of raising the money. Refreshments at the football and the basketball games became a source of funds. Dances after the games and ads were another source for raising funds. Under the leadership of an energetic and capable staff, the annual was composed and sent to press. And what encouraging news to know that the annual was finally completed! We hope you enjoy reading our annual as much as we enjoyed making it.

This year, under the guidance of Miss Mathis, the staff has tried to make the Lantern a better organized publication. Charles Raine and Georgann Glasgow gave much time and effort to co-ordinating the work of the typesetting and printing departments, with that of the writing staff. There were five regular issues and one Christmas bulletin published this year.

The staff had a celebration as a final parting gesture to all those members of the staff who would not return.

The Anderson Township Band of twenty-five members had an active year under the capable leadership of Mr. Jack Wellbaum. They played for two football games, the Homecoming with Madeira, and again when our team met Colerain.

The P.T.A. was entertained on November 18th and January 20th, and the band again played for Community Institute January 30th. The band had two very successful Band Concerts April 9th and 10th.

Our chorus is once more honored to be under the skillful direction of Miss Dorothy Vandervort. We would like to give our thanks and appreciation for her guidance throughout the year.

The girls sang at the Christmas Program and the Farmer's Institute. We also bid adieu to the Seniors during Baccalaureate Services.

Y-TEENS

The club began the year with a Mother Daughter Tea. The purpose and ideals of Y-Teens were explained to the new girls and visiting mothers.

An old fashioned hayride was given with a very nice turnout. Trucks took the girls and their dates from school to Mt. Airy Forest. Refreshments and music for dancing were furnished.

The annual Turkey Supper was held in November with the usual aches and pains at the end of the meal.

The Christmas Formal was held at the Central Y.W.C.A. This was the first time the Y-Teens Club had a dance away from school. It was a big success.

The girls sold Christmas cards through the Y.W.C.A. For the service project the girls gave Christmas gifts to two orphans at the Children's Hospital.

The program for the year included many well known speakers. Several church services were held in the Y-Teens honor.

The year closed with usual banquet for the girls and their mothers.

The Junior Hi-Y began its fall activities by sponsoring two hayrides. A dance given at the Legion Hall in October was followed with a bowling party at Mt. Lookout lanes. A program of swimming and recreation presented by the Withrow Hi-Y at the Williams Y.M.C.A. was attended by the members of the Anderson Township group.

FOOTBALL

Our first year in eleven-man football was very successful. The Redskins scored a total of 138 points to their opponents 62. The boys were continually accompanied by a winning spirit. They were coached by Charles Brown, who was assisted by Richard Herron and James Truitt.

The football season was opened at Mt. Healthy. The game was very close and exciting, ending with the score 0 to 0.

The Redskins then traveled to Taylor. This game was the Redskins first defeat. Taylor won 19 to 6.

The third game was played at home, where the Redskins played host to Terrace Park. Both teams played hard, but our boys pulled through with a 6 to 0 victory.

The next game was played at Loveland. The Redskins were victorious, 27 to 6.

The homecoming game was played with Madeira to determine whether Anderson or Madeira was to be first in the Eastern League. Although the game was played on a muddy field, our boys showed the true spirit by defeating the Mustangs 19 to 7.

The only afternoon game was played at Country Day. The score was tied, 18 to 18.

Sycamore played here and Anderson had an easy victory with a score of 19 to 0.

The following game was played at home, too. Anderson downed the Colerain Cardinals 25 to 6.

The final game was the championship game at Lockland with Mt. Healthy. This game was to determine whether Anderson was to be first or second in the county. The Redskins put up a good fight, but we were defeated 18 to 6.

Coach Brown had a hard way to go during the 1947-48 basketball season as he had only Bob Moore, John Steele, and John Burns from the previous year's team. The team won three games while losing fourteen during the regular season. The team lost by one to two points in a few close games. The tournament started February 26, in the Men's gymnasium at University of Cincinnati.

The three leading scorers for the Redskins were Charlie Lawson, 141 points; Bob Moore, 125; and Lawrence Merten, 103 points.

A county star game was played. There were three players picked from the seven schools in the eastern side of the county. The three players representing Anderson were Bob Moore, Lawrence Merten, and Charles Lawson.

RESERVE BASKETBALL

The Anderson Reserves ended their season with eleven wins and seven defeats. For the year they scored a total of five hundred and twenty-two points compared to four hundred and four for the opponents. They have won eight out of their last nine games played. This years reserves squad shows promise of being one of the best varsities we have had in years at our school. The teams play and spirit have stood out as fine factors in making this squad a winner. The boys who make up this squad are:

Don Kyle—*Forward*
Ronnie Guenther—*Forward*
Klayer Kline—*Forward*
Don Oury—*Forward*
Art White—*Center*

Eugene Ellis—*Center*
Arlen Leslie—*Guard*
Kenny Shaw—*Guard*
Don Taylor—*Guard*
Harold Speaks—*Guard*

Their efficient manager is Kenny Tarvin who has performed his duties in a worthy manner.

Janet Koppman, Carolyn Koch, Marilyn Dumont, Patty Gehl, Margaret Mills and Betty Ree Gaskins—Co-Captains.

VARSITY CHEERLEADERS

The cheerleaders are just as much of the game as the team. The team needs someone to cheer them on when the going gets tough. The varsity cheerleaders this year have done a very good job to help the team keep confidence, work hard toward their victory and to fight "like they have never fought before."

We regret the parting of our Senior Cheerleaders, Margaret Mills, Betty Gaskins, and Marilyn Dumont, who graduate this year.

Anne Bolton, Bonnie Fithen, and Ethel Jolley.

RESERVE CHEERLEADERS

The Anderson Reserve Basketball Team had very good backing this year in the way of Reserve Cheerleaders. The Sophomore girls who led our school in cheering the team on to 7 wins out of 13 games were: Anne Bolton, Bonnie Fithen, and Ethel Jolley. We are looking forward to their cheering on the Varsity squad next year.

Kneeling: Jerry Rucker, Donald Brown, John Steele, Jerry Lanter, John Burns, Charles McKinniss;
Standing: Charles Raine—Manager, Arthur White, Charles Lawson, Robert Moore, Robert Muchmore,

TRACK

The 1947 edition of Anderson's track team showed great improvement over the previous year. Composed largely of Sophomores and Juniors who had received valuable experience, the Redskins proved capable of offering excellent competition to any opponent. Highlighting the season was a victory over class A Norwood, the runner-up position in the County meet; third place in the Plainville Invitational Meet among fifteen competing teams, and consistent scoring in the Major Meets at Miami and Withrow. The rise of the Redskins to fifth place in the District Meet was very satisfying, after their twelfth place finish of 1946.

In recognition of Bob Moore's ability, he was selected for a District high hurdling champion place on the all-Ohio track team; Bob Muchmore tied for District high jump championship; John Leslie and John Steele turned in outstanding performances in discus events and dashes respectively; and Coach Herron was honored by placement on the Honor Roll of Ohio Track Coaches.

Kneeling: Kenneth Shaw, Charles Lawson, Robert Muchmore, Donald Oury, Arlen Leslie, John Steele;
Standing: Mr. Brown—Coach, Robert Oury, Robert Beckmann, Donald Kyle, Fred Koch, Ronnie Guenther,
 and Clifford Mefford—Manager.

1st base.....Donald Mergard
2nd base.....Charles Lawson
3rd base.....Albert Kline
Shortstop.....Ted Haller, John Leslie
Left Field.....John Steele
Center Field.....Norman Kaufman
Right Field.....Robert Muchmore, Fred Koch

Row Two: Mr. Maddux—Coach, Donald Luse, Arthur Kaufman, William Oberslake, Robert Redmand, Gerald Hornsby, Raymond Burlew, William Mast.

JUNIOR HIGH BASEBALL—1947

Here are our undefeated Champions. Champions of the Eastern League and of Hamilton County. Winning the trophy was not easy. It took eleven innings to defeat Sharonville, and Finneytown was taken only after a thrilling rally in the seventh.

The Champs met Bridgetown Champions of the Western League at Hartwell and defeated them 10 to 5.

The road to victory began in 1946 when the Eastern League trophy was won.

G. A. A.

This year the Girls' Athletic Association was under the leadership of Miss Lois Jean Neilsen. This year for the first time they had champ and honor teams in Deck Tennis. The girls took part in bowling, swimming, basketball, and track events during the past year.

G.A.A. had the winning Float at the home coming football game played with Madeira.

The Honor Deck Tennis Team was a very difficult team to choose. The girls that make this team have every right to be proud. In order to be eligible for the honor team, the girls must be present for all the games and all the practices. The girls that are eligible are then judged according to sportsmanship, skill, and teamwork by the advisor and the captain of the team.

Ruth Locklear, Betty Gaffney, Dolores Brodeen, Dorothy Taylor, Marilyn Dumont, Judy Frey, Eileen Taylor, Loraine Young, Margaret Mills, Betty Gaskins, and Virginia Staggenborg.

DECK TENNIS CHAMPIONSHIP TEAM

The G.A.A. began this year with a Deck Tennis Tournament. This was a new sport for the club so the girls had to have a few practice games. It didn't take long to catch on to the game and soon games between classes were being played. Some of the girls became quite skilled at throwing the rings and believe you me the games were quite close but the Senior girls came out as Champs and the Junior girls were runner ups.

Planning For The Future

In the final analysis, good telephone service depends largely on men and women who are trained and skilled on their jobs.

Plan now to become a part of the telephone organization when you graduate from high school. You will find that telephone people like their jobs—and that every job is important. The pay is good. The work is steady. The Company's Benefit and Pension Plan helps employees and their families in times of sickness, accident, old age, and death. And the opportunity for advancement is open to all.
